EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Philip Dubois on December 10, 2004.

The application has been amended as follows:

Claim 15 has been replaced with the following:

15. A humanized biomaterial ready for implantation comprising a porous biocompatible composite material that is customized and implanted with living monocyte derived cells substantially irreversibly bound to said porous biocompatible composite material, wherein said monocyte derived cells are macrophages which have been obtained by ex vivo differentiation of blood monocytes taken from a human patient and wherein the living macrophages are cultured under conditions such that when implanted into the porous biocompatible composite material the macrophages penetrate and substantially irreversibly bind to said porous biocompatible composite material.
